CHILDREN'S MINISTRY: SARA CHANCE

Our church family has a wonderful tradition to assist with needs at several local schools. This has been going on for many years, before I was in my current role, & I am so grateful to those who established this good work! It is a privilege to carry this on, through the generosity of our congregation.

We have been able to help with many needed items, including backpacks, school supplies, shoes & clothing, through the school year. Having been a teacher & being married to one, I firmly believe that our support of students is important. When we support local children in need, we show love to the families, the teachers, counselors & other school staff who are daily being poured out for these families. We show we care by bearing a little bit of the burden.

If you'd like to contribute to this fund, you can give to the children's offering any time, or mark "children's giving fund" on your check. Thank you!
