BANFORD HOUSE QUARTERLY UPDATE

During the first 8 months of 2024 the food pantry served 2,927 people. We purchased 37,931 pounds of food from NWA Food Bank, at an average cost of \$0.53 cents per pound. In the past three months, we served 339 households, representing 1,151 people. 15 volunteers helped this last 3 months with a total of 292 hours of service.

We appreciate those who designate specific amounts of their contribution for the Banford House. We encourage more members who may have food budget challenges to utilize Banford House food. This ministry is one of the several mentioned by Jesus in Matthew 25. Our ministry will be hearing from the King "I tell you the truth, just as you did it for one of the least of these brothers or sisters of mine, you did it for me."

PS: Statistics by month are posted on the bulletin board in the hallway.
