## ELDER SPOTLIGHT: MIKE HUDDLESTON

### EAGLES IN A STORM

Did you know that an eagle knows when a storm is approaching long before it breaks? The eagle will fly to some high spot and wait for the winds to come. When the storm hits, it sets its wings so that the wind will pick it up and lift it above the storm. While the storm rages below, the eagle is soaring above it. The eagle does not escape the storm. It simply uses the storm to lift it higher. It rises on the winds that bring the storm. When the storms of life come upon us—and all of us will experience them—we will rise above them by setting our minds and our beliefs toward God. The storms do not have to overcome us. We can allow God's power to lift us above them. God enables us to ride the winds of the storm that bring sickness, tragedy, failure and disappointment in our lives. We can soar above the storm. Remember, it is not the burdens of life that weight us down; it is how we handle them.

"Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they shall run and not be weary; and they shall walk and not faint." (Isaiah 40:31).

So spread those wings and glide!
